

Insurance Cost Sharing Status

Insurance companies often have cost sharing measures in place as part of a member's policy. These measures result in patient fees with each office visit that will be due on the day of service. In preparation, please call your insurance company 1-2 days before your 1st visit, obtain the following information and ask questions if necessary.

This information will expedite insurance processing of your claim, and will allow you to know what your cost sharing responsibilities are.

Please bring this form to your office visit.

Thank you for your cooperation.
